

EDWARDS RANCH

Quay, New Mexico

The Edwards Ranch is located approximately 15 miles south of Tucumcari, NM and consists of 1030 acres of deeded land. Easy access by State Highway 209 and Quay Road 46.

The topography of the ranch is flat to rolling, surrounded by Mesa Redonda to the east, the Caprock to the south, and Saddleback Mesa to the southwest. Elevation is 4300 ft to 4380 ft.

The grass community consists of blue grama, black grama, tobosa, sand dropseed, and many other species.

Wildlife seen on the ranch includes antelope, mule deer, quail, and dove.

Livestock are watered by two wells. One of the wells is a shared well with a residence.

Estimated property tax is \$124.23.

Price : \$360,500 (\$350/deeded acre)
